

Suggestion: Perhaps this bathroom could be arranged more like a 'Jack and Jill' Bathroom. (like the one below it) This would make a better use of the space by eliminating an unnecessary hallway, making a larger bathroom.

If Top Plate at 6' then Windows will all need to become dormers throughout most of this floor. \$\$ Option-Window and Door heads at 6'8" and headers help create sill plates in the 7'x" Range

Preliminary  
Not for Construction

Third Floor Plan
